Hey

Not sure what happened. Here's a "blank form email" and the guidance. The mob guidance contains an error in the Travel Section by giving a dcn prefix to use. Ignore the prefix and use the appropriate R8 prefix. Could you send the 4 names, so I can get them on Monday's pay cap lift memo going to HQ

Thanks
John

Hey guys,

4 of our folks got orders today to head down Monday as part of the community resource/info team, but they haven't seen the mobilization guide. Can you send when you have a min?

Hang in there!
